

PAMELA TAYLOR

Regardless of what holiday you celebrate, the winter solstice is a good time to connect with family, friends, and – for a writer – loyal readers. I’m grateful to each and every one of you for your support and encouragement – whether on social media, via your reviews, or by reaching out to me through my websites. My fondest wish is that, before 2021 is over, we’ll once again be able greet each other at in-person events.

I hope you’re caught up with the Chronicles and ready for the next episode when it releases on December 23rd. If you’ve already pre-ordered, look for it to arrive in your mailbox or your Kindle library around that date.

Early editorial reviews for *Upon This Throne* have been particularly gratifying.

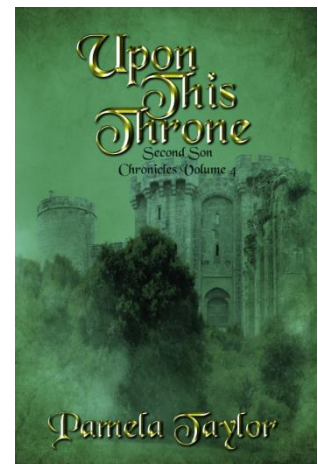

“A healthy blend of drama, politics, history and action make the story engaging on every level, and the protagonist’s journey makes for brilliant storytelling and character progression.” – *Pacific Book Review*

“*Upon This Throne* is another outstanding complement to the chronicles, continuing the saga with warmth, intensity, and historical detail. As always, the quality of the writing is exceptional.” – *Sublime Book Review*

“A cathartic novel of royalty that emphasizes strong leadership.” – *Kirkus Reviews*

“Readers of medieval adventure based on historical facts, fictional adventures, and well-fleshed out, relatable characters will find this novel engrossing. Reading Taylor is like slowing down to absorb history through entangled plots, culture of the period, and significant protagonists rather than dry textbooks.” – *Authors Reading*

Do let me know what you think.

If you've read my bio, you know my Pembroke Welsh Corgis are a big part of my family. And you've probably discovered their influence in the Second Son Chronicles. So I thought it would be fun for them to wish you all Happy Holidays in a picture from a couple of years ago.

Happy reading – whatever you're reading right now. Wishing you a brighter, more hopeful New Year.
